delayed the trains, that we did not get the Henald until three days. later. B. VanKooten shipped some seedcora to Iowa today. It seems that they like Kansas corn over there, as

they pay twenty-five cents a bushel Mr. S. Brands, who was attacked by consumption has sold his property and moved down into New Mexico, hoping to improve his health there, by the beneficial climate of the mount-

The business men of Kirwin in our opinion, says the Independent, should ose no time in the construction of a "Should Scholars Depend on their large cyclone cellar in the center of Lesson Leaves?" Baptist school, Phil- the park. There is no telling when a cyclone may visit us, and should it do so during business hours escape would 4:15 - What is the best Mathod of be impossible as there is not a cave or cellar on the square that would be at all safe. It would not cost a great deal of money to make a cave that would shelter several hundred people and there are plenty of idle men who would be glad of a job. The park would make it equally handy for all and more safe from falling buildings. Kirwin had a light touch of cyclone last summer and it will not hurt to be

on the safe side. Push it along Schuyler, and after the hole is done, get ice, etc, and keep them on tap, ready for use at

THE United States supreme court has decided a case involving a claim for damages for killing a dog, which has made its way from the lower courts of New Ocieans through the various phases of litigation to be finally decided here in opposition to the claim. The case turned upon the We listened to a very interesting validity of an act of the Louisiana discourse by Rev. Turnbo at Pleasant legislature recognizing dogs as personal property only when placed upon the assessment rolls. In this case the dog was not assessed. Justice vicinity of Goode postoffice last Sun- Brown delivered the opinion of the of the law and refusing damages. Justice Brown laid down the law in regard to dogs in the following terms:

The very fact that they are without protection of the criminal laws shows that property in dogs is of an inperfect or qualified nature, and that they stand, as it were, between animals forme nature, in which, until subdued, there is no property, and domestic animals, in which the right of property is complete. They are not considered as being upon the same Jacob Kats had to quit his farm plane with horses, cattle, sheep and other domestic animals, but rather in the category of cats, monkeys, parrots, singing birds and similar aninew farm and is quite busy nows- mals kept for pleasure, curiosity or caprice. Unlike domestic animals, they are useful neither as beasts of
